ICD-10-PCS Code Book Professional Edition, 2019

AHIMA Product Number: AC222218

On page 89 of the code book, the root operation definitions for Control and Creation are listed incorrectly. The root operations should read:

Control: Stopping, or attempting to stop, postprocedural or other acute bleeding

Creation: Putting in or on biological or synthetic material to form a new body part that to the extent possible replicates the anatomic structure or function of an absent body part
