

Disclosure to Participants

American Health Information Management Association (AHIMA)

Approval Statement: American Health Information Management Association (AHIMA) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Disclosures to Participants 2018 AHIMA Convention & Exhibit

Requirements for Successful Completion:

Learning outcome: The desired outcome from the AHIMA Convention is to advance the knowledge of attendees in HIM best practice standards and apply that knowledge to their current practice.

To receive contact hours for this continuing education activity, the participant must:

- Attendance is required for the entire session for successful completion
- Complete evaluation form

Once successful completion has been verified, a "Certificate of Successful Completion" will be awarded for up to 8 contact hours.

Conflicts of Interest:

Explanation: A conflict of interest occurs when an individual has an opportunity to affect or impact educational content with which he or she may have a commercial interest or a potentially biasing relationship of a financial nature. All planners and presenters/authors/content reviewers must disclose the presence or absence of a conflict of interest relative to this activity. All potential conflicts are resolved prior to the planning, implementation, or evaluation of the continuing nursing education activity. All activity planning committee members and presenters/authors/content reviewers have submitted Conflict of Interest Disclosure forms.

The planning committee members and presenters/authors/content reviewers of this CNE activity have disclosed no relevant financial relationships related to the planning or implementation of this CNE activity.

Reporting of Perceived Bias:

Bias is defined by the American Nurses Credentialing Center's Commission on Accreditation (ANCC COA) as preferential influence that causes a distortion of opinion or of facts. Commercial bias may occur when a CNE activity promotes one or more product(s) (drugs, devices, services, software, hardware, etc.). This definition is not all inclusive and participants may use their own interpretation in deciding if a presentation is biased.

The ANCC COA is interested in the opinions and perceptions of participants at approved CNE activities, especially in the presence of actual or perceived bias in continuing education. Therefore, ANCC invites participants to access their "ANCC Accreditation Feedback Line" to report any noted bias or conflict of interest in the education activity. The toll free number is 1(866) 262-9730.
