Why Choose Me:

I have spent the past 25 years dedicated to the HIM industry, serving in various roles such as Director, coder/auditor, and remote coding instructor. I have developed a passion for educating and mentoring others in all aspects of health information management, with an emphasis in coding and compliance. If elected, I will focus on achieving and promoting the AHIMA CCHIIM Vision, "Professional Excellence in health informatics and information management through certification", by ensuring that certification and re-certification programs meet current national standards, evidence-based best practices, and workforce/industry needs.

VOTING WILL BE OPEN FROM JULY 12 AT 8:00 AM CT - JULY 26 AT 5:00 PM CT
